About Us

[Speak-Arabia](#) is a leading Arabic translation provider that follows the most internationally acknowledged quality standards. We provide premium quality content-related services; including Translation & Localization, Transcription, Voice-over, Transcreation, and Desktop Publishing services.

We are committed of being the company that fulfills every single language need our clients have. The services we provide include: translation, transcription, subtitling and much more.

We pride ourselves on making sure we not only meet, but exceed, our clients' expectations of quality and timeliness. If you are communicating across countries and cultures and need high-quality language support, you've come to the right place. We're your Middle Eastern language partner!

Our Vision

To be the biggest and the best Arabic translation service provider in Middle East & Africa.

Our Mission

To provide our clients with a premium quality, timely delivery with competitive rates 24/7.

Our Promise

We promise to offer premium quality, timely delivery and support 24/7.

Speak Arabia

Where Premium quality is always affordable

If you are communicating across countries and cultures and need high-quality language support, you've come to the right place. We're your Middle Eastern languages partner! We offer comprehensive solutions for your business communications.

Speak-Arabia for Translation & Localization Services was established to fulfill the requirements of small and large-size organizations in relation to globalization, internationalization & localization, multilingual documentation, software and Web development with full language support. Our goal is to provide fast and quality service to all our clientele throughout the world.

Speak Arabia does it all. Our company's mission is to provide dependable, high-quality services all in one place.

Translation & Localization

We are always there for you whether your translation needs are large or small, and no matter which file type or format your document is in. We're your partner in all your Middle Eastern languages translation needs.

Very competitive rates, starting from document, book translation and website and software localization to monolingual and bilingual audio and video transcription as well as video subtitling. Speak-Arabia does it all. Our company's mission is to provide dependable, high-quality services all in one place.

Editing

By using Editing Services, you can rest assured that your language manuscript will be polished and ready for submission in your publication of choice at a very competitive rate.

Proofreading

The goal of proofreading is to guarantee perfect spelling, grammar and structure of a text in a written work. At Speak Arabia, all our proofreaders are native speakers of the languages they proofread and they are academically highly-qualified.

Desktop Publishing

Speak-Arabia helps companies maximize their content value. Speak Arabia has the experience to assist its clients in all phases of the content life cycle: Authoring, Management, and Delivery.
